

KLANG SMART CITY ACTION PLAN 2030

CALL FOR Industrial Partners in Smart City

Majlis Perbandaran Klang (MPK) in collaboration with PLANMalaysia (Federal Department of Town and Country Planning, KPKT) are in the process of preparing the **Klang Smart City Action Plan 2030** which will be a main reference and guidance to MP Klang and others stakeholders to develop of Klang toward Smart City.

We would like to understand the solutions in Smart City that you are providing and would like to explore further if it could be considered as part of the solution in Klang Smart City Action Plan 2030. We welcome all companies, start-ups, techno-enterprises, or any business organisation including academia that provide smart solutions encompasses elements in Smart Government, Smart Economy, Smart Mobility, Smart Environment, Smart Communities/People, Smart Living, and Smart Digital Infrastructure to **contribute towards a better smart city planning to achieve the vision of Klang Smart City Action Plan by 2030.**
